	Note re Npower Electricity – as discussed at October meeting, Clerk used Ncalc's recommended company to carry out comparisons for pricing (Utility Aid). Previous rates with Npower very high, agreed a new 2 year contract with Valda Energy, this should reduce the payments considerably.																																																			
1406/2025	Community Grants 2025/26 No new applications																																																			

1407/2025	<p>Community Engagement</p> <p>a) Christmas – Clerk has arranged for replacement tree stand to be installed after Cadent removed, we hope to recoup the costs from Cadent (the information has been sent to them) larger 20ft tree ordered, to be installed 28th. decorate on 29th. All arrangements for refreshments have been sorted, Cllr Goodrum asked if we can have as many volunteers as possible.</p> <p>b) Newsletter – Cllr South raised concerns, should we be continuing to print the newsletters for the whole community, costs of printing are £750.00 (approximately) each year, pro's and con's discussed All agreed to continue printing.</p>																																							
1408/2025	<p>Environment Committee –</p> <p>a) Litter (arrangements for next 12 months) – Tove have been doing the litter picking and bin emptying since mid-July this has been going extremely well, the rec/HCC is a problem area, replaced several of the bins. Clerk recommended formalising this arrangement until November 2026 and then review again All agreed.</p> <p>b) Speeding (new concerns from resident) and discuss SIDS and course of action – Resident very concerned about the speed of car's entering the village. There is a fixed SID here and the mobile police van attends adhoc. Community Speed Watch caught 5 cars going over the speed at this location. Clerk to ask for up to date data from Northants Police. Possible social media posts will help. Need to make arrangements for the larger SID's to be installed, agreed for a budget of £1000, for Clerk to arrange for the sign to be moved up to 6 times.</p> <p>c) Make an addendum to Grass Cutting Contract -that moving forward additional groundworks in Hartwell will be offered to the current contractor first (up to set value) All agreed and value set at £2500.00</p>																																							
1409/2025	<p>Cemetery – New Applications – None</p> <p>Correspondence from a lady who's parents are buried in the cemetery regarding concerns of some of the ornaments etc - agreed for Clerk to reply appropriately, taste of ornaments is subjective and individual and we should respect that everyone has the right to remember their loved ones.</p> <p>Clerk reported an issue with a new grave (less than 6 weeks old) that occurred due to the rainfall over the weekend (rained consistently for around 72 hours), Clerk arranged for this to be resolved immediately (thanks to Tove for sorting) these costs should be able to be recouped from Funeral Director. As a result it is felt a review of Cemetery Regulations is needed. Clerk to put on agenda.</p>
