Several condition change applications can be viewed at https://snc.planning-register.co.uk under Hartwell Parish Land of Park Road – next steps. Cllr Huckle and the Clerk tabled communications from residents. Discussion had on the best way to handle communications, councillors to try where possible to refer to the Clerk or cc the Clerk in on replies to residents. The Clerk proposed that the council ask the Planning Consultant to respond to the initial consultation from Marrons and copy WNC Planning in on the council's concerns regarding the prematurity of this application in relation to the emerging Local Plan and the lack of evidence in other policies for the need of the 84 houses, All Agreed. The Clerk then proposed that once the application is submitted formally to WNC Planning the council will hold a special meeting for all residents to discuss the plan with Planning Consultant present (this has been done previously for the two other major applications in Hartwell) the council can then decide at its next council meeting after this the best way to represent the whole community and what will be submitted in response to the Planning Application, All Agreed. The Chair informed the council that a special Facebook page has been set up by two residents called Hartwell Voices, this group is to discuss the proposals, objections etc. The Clerk reminded all councillors about the HPC Social Media Policy and urged caution when engaging on social media and commenting.
